Join Leanne Butterworth's growing list of happy clients who have experienced the results of the most innovative and effective professional smoothing treatment in the WORLD!

Our treatment actually improves the condition of the hair by creating a protective protein layer around the hair shaft to eliminate frizz and smooth the cuticle. Our treatment straightens hair naturally with No Damage! And no harsh chemicals! It is a reconditioning treatment that transforms the hair and restores shine. This incredible treatment is designed for people who have curly, frizzy and damaged hair! The end result is smooth, healthy, frizz-free hair with radiant shine! Everyone can benefit from Our Treatments, even over-processed and chemically damaged hair. It deeply reconditions and repairs, making it so much more than just a straightening system. The minute you leave the salon, you can wash and air dry your hair, and it will be smooth, frizz-free and radiant! Call to day to reserve your personal consultation with Leanne.
